Department of Engineering

Richard Turner
Professor in Machine Learning

Mr Alejandro Santorum Varela
Square Plaza de la Marina 3A
36500 Lalin
Pontevedra
Spain

Date: 5th October 2021

Dear Mr Santorum Varela

USN: 305492182

MPhil in Machine Learning and Machine Intelligence, 2021-2022

I am pleased to officially offer you a bursary of £3,000 for the above MPhil course commencing in October 2021. The bursary is to be used towards your University Fee and will be paid directly to your college. If you have already paid your University Fee, then we will contact your College and request them to reimburse you for the same amount.

This letter will be uploaded to your CamSIS account so that all parties concerned with your admission to the University can see that you have been awarded funding. If your circumstances change we would ask that you notify us as soon as possible. In particular, if you are made an offer of funding from elsewhere within the University (e.g. from your College) or from outside the University, please get in contact with us.

What to do next: please now upload a new Financial Undertaking Form and tick Box B under 'Applicant Declaration'.

Yours sincerely

Richard Turner
Course Director, MPhil in Machine Learning and Machine Intelligence
